

Art of Extraordinary Success

How to Live in the Zone of Creative Mastery

Keynote Talk and Program
by Diane Dandeneau

**Discover the secret that all great artists know, and become the master of creating the extraordinary and even the impossible.
Learn the 7 Keys for becoming a creative master:**

1. Expand your mindset around your identity and your potential.
2. Discover the number one difference between people who are successful and those who aren't, and how to instantly implement that change.
3. See the important difference between ordinary success and extraordinary success, and why we should not settle.
4. Find the keys to unlimited time and energy.
5. Let go of the greatest block to success.
6. Live your inspired vision!
7. Becoming the master of your creativity and life!

Through music, story, and art, your group will enter the zone of creative mastery with life-long artist and entrepreneur, Diane Dandeneau. Your audience will be inspired to step into their own creative mastery to discover the power they possess to contribute to life at a higher level than ever before.

The Art of Extraordinary Success – Living in the Zone of Creative Mastery is offered as:
